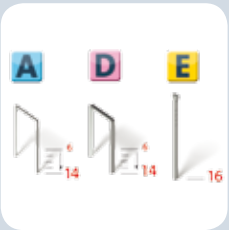
J-19 high performer

The powerful professional tacker with durable, particularly low-recoil, diecast zinc housing for a wide range of different jobs in the home, DiY and workshop.
Nozzle and multistroke function for precision fastening. Featuring bottom-loading mechanism with safety lock release, snap lock, impact adjustment, distance holder, lock-down handle, staple inspection window and belt hanger.

Article number	030-0386
EAN Code	4009729014615
Garantie	Novus offers a warranty of 2 years when handled in a proper manner.



Staple handling
The tacker works with fine wire staples and flat wire staples up to 14 mm length and nails up to 16 mm length.

Lock-together handle
The tacker handle can be locked down when not in use or for storage.

Impact adjustment
Guarantees the right impact power for every job, no matter whether you‘re fastening into hard or soft wood.

Staple inspection window
The open staple channel shows how many staples are left in the maga-zine.

Long nozzle
The tacker‘s narrow and long nozzle also permits precision stapling at poorly accessible places.
